End of Report.

The Clerk stated that the Chairman of the Parish Council Cllr. Smyth and PCSO Ledbury had met recently and had discussed a range of issues. The Chairman sent the following written report to the Clerk (shown in italics):

We had a general discussion about the bus gate and cameras and I brought her up to date on the situation. I also spoke to her about the incident at the Village Hall where the planters were thrown over the fence into the neighbour's garden. She confirmed that if CCTV were to be installed then it is likely to be sufficient for them to prosecute (although in certain circumstances like mental illness this may not be straightforward). I passed her details on to the Village Hall Committee to enable contact to be made directly.

We also talked about the incident at Littlemarsh where it was alleged two cars were stolen in broad daylight. PCSO Ledbury explained to me that after a police operation to recover stolen cars locally they also recovered two stolen cars that had been "hidden" amongst the parked cars at Littlemarsh. It was in fact the police recovery contractors that the witness saw loading the cars onto the transporter. The car belonging to the local employee that had been stolen from the same location was a separate incident on a different day.

The Clerk confirmed that he had written again to the Police & Crime Commissioner (P&CC) to seek an answer to the original letter that had focused on the lack of visibility of, or engagement with, the Community Policing Team and to seek an answer to whether or not any improvement to the existing policing model was proposed. The Clerk commented that Cllr. Seed had also raised this issue with P&CC and Assistant Chief Constable Gavin Williams at the recently held Police and Crime Panel.

b. Cllr. Bowyer stated that there were now a total of eight Neighbourhood Watch signs that needed replacement in the village and he had still to confirm whether or not the replacement cost of £30 per sign included affixing the new signs. Cllr. Bowyer was asked to investigate obtaining grant aid from Wiltshire Council for these signs and if it were possible to make a grant application. The Clerk suggested that he may wish to contact Cllr. Seed regarding grant applications. The Clerk was asked to put this subject on the Agenda for the next meeting.

7. Adjournment.

The Chairman adjourned the meeting for the members of the public to raise any matters of interest.

SEMINGTON PARISH COUNCIL

- b. The Council **resolved** to make all the payments under 'Payments to be authorised' above.
- c. The Council **resolved** to transfer the remaining Memorial Funds (£434.49) to the Commemorative Centenary bench purchase with immediate effect.
- d. The Council **resolved** to promote the Clerk to Scale Point 27 with effect from 1 June 2019.

11. Highways/Environment.

- a. There were no highways/environmental issues that had been reported to Wiltshire Council.
- b. The Parish Council noted the action that had been taken by a parishioner regarding the inspection of local Public Rights of Way and thanked him for his detailed and comprehensive report that he had sent to Wiltshire Council and copied to the Parish Council. Councillors noted that the report and associated map identified rights of way that needed attention if they were to be brought into regular use again by parishioners. Concern was expressed regarding the apparent lack of signage for these paths where they cross the A350 and A361 roads and Cllr. Scott offered to undertake a survey of those paths to establish exactly what signage existed with a view to inviting Wiltshire Council to erect suitable signage if it were absent. Councillors agreed that a longer term project was to establish a Working Party or Parties to clear these Public Rights of Way subject to agreement with the respective landowners.
Cllr. Scott requested that there is an Agenda item entitled 'Footpaths' at future Parish Council meetings. The Parish Council **resolved** to adopt this proposal.
- c. There was nothing further reported in respect of the 'Enforcement Camera' or 'No Entry Gate'.
- d. Cllr. Rimmer confirmed that the Memorial Bench has been delivered and subject to the receipt of a replacement slat it was ready for installation. He commented that the wording for the commemorative plaques had been agreed and he would be deciding, subject to agreement by the Parish Council, on how and when the bench is to be installed and the nature of the ceremony to accompany the installation.
Cllr. Rimmer confirmed that the additional information for the Information Boards in the telephone kiosks that would include details of the commemorative oak tree planting is currently under discussion.

12. Semington Village Website.

Councillors noted that this was an outstanding action and Cllr. Rimmer confirmed that he had contacted the webmaster to expedite a meeting with him. He added that Cllrs. Scott and Kasasian had indicated their intention to also attend that meeting.
